

"I'VE RECLAIMED MY JOY"

Hi,!

When we received this touching message from John, we thought of you and your loyal support. We thought it might inspire you as it did us:

“

JOHN SAYS,

"My transformation through Transformed Discipleship Ministry was spiritual as well as practical. Before I got involved, I felt lost, with a void inside that nothing seemed to fill. Now, I'm much happier, utilizing my time more productively instead of aimlessly surfing the web. I've reclaimed my joy, feel the presence of the Holy Spirit, and understand the roots of my struggles. To anyone contemplating joining Transformed Discipleship Ministry, I implore you—do not go through this journey alone. There's a community here ready to support, guide, and uplift you. I found freedom and a purpose – to help men break free from the shackles of their struggles, be it lust, depression, or past traumas."

John's story is not just one of personal triumph; it's a testament to the power of community and the holistic approach of our ministry. Because of your support, many like John can move from a place of loss to discovering their joy and purpose in Christ.

Thank you for being a part of journeys that change lives. If you'd like to share Transformed Discipleship Ministry with a pastor or loved one, a great way to do that is to share our book, [Transformed After Porn](#).

Thank you for your unwavering support.

MOVING TOWARD TRUE FREEDOM

Hi, !

In the heart of our spiritual community lies an unspoken challenge: the shadow of lust and pornography. But with your support, we're making a difference.

We're excited to share with you a testament to the power of faith and fellowship from a member of our community, Zach Gryder. Zach's observations highlight our fight against the shadows of pornography and lust.

HERE'S WHAT ZACH HAD TO SAY ABOUT HIS EXPERIENCE:

"Over the past three years, I've observed and garnered feedback about Transformed Discipleship Ministry, created to aid men in their struggles with pornography and lust. What sets this program apart is its defined, step-by-step process combined with the invaluable relational aspect: having someone who's triumphed over the same struggles guide you through. Transformed brings men together, underscoring the biblical mandate to carry one another's burdens. This program is not a magical solution; it requires commitment, but it offers a supportive pathway toward true freedom for those who are determined. I cannot stress enough the profound impact it's had on our community; it truly is a vital tool for strengthening our men, their marriages, and the church as a whole." - Zach Gryder

Thank you for helping us continue to offer this invaluable resource to our community, strengthening not just individual men but their marriages, families, and the entire church body.

We're honored to partner alongside you in this transformative work!

Now, imagine the impact of this transformation if it could reach far beyond our current community. **Will you consider introducing Transformed Discipleship Ministry to your home church leadership?** By doing so, you'll be planting seeds for a ripple effect of spiritual growth and freedom that can resonate across communities and nations.

With Gratitude,

LIVES TOUCHED, CHANGED, AND RENEWED THROUGH YOUR GENEROSITY

Hi,!

Sometimes, the most profound stories of transformation begin with the courage to face our innermost struggles. Today, we're bringing you Tim's inspirational journey — a testament to bravery, confrontation of personal strongholds, and the life-altering power of faith and community within the Transformed Discipleship Ministry.

“

TIM'S INSPIRATIONAL JOURNEY:

"This program was a phenomenal, life-changing experience for me. Acknowledging the strongholds in our lives that prevent us from embracing the life Christ means for us is challenging for everyone.

I found the courage to confront my problems head-on, and it has incredibly transformed my life. I recommend this program to any man seeking to liberate themselves from secret sin, shame, and guilt to truly live the life that God intends for them." - Tim

YOUR ROLE IN THIS JOURNEY:

Your continuous support has been instrumental in stories like Tim's. Lives are being touched, changed, and renewed because of your generosity. However, there's an opportunity to broaden this wave of transformation.
